Glabar Gazette

Important Dates:

Glabar Park Community Alliance is pleased to invite you to attend and advertise the following event:

Annual General Meeting
Monday October 17th, 2011
7:00pm to 9:30pm
D. Roy Kennedy Public School

Info: www.GlabarPark.ca

A message from our President

As your community association, we are working hard to keep you informed, protect this neighbourhood from non-conforming development, and bring you together with your neighbours. Summer is almost over and we helped with the neighbourhood Garage Sale, and organized the Summer fun day.

I was not here for the garage sale, but was told it was a very successful event again this year with lots of houses participating. We had a beautiful and hot day for our Summer Fun Day, with participation from the local Fire Department and our community Police. Talking to Constable Heaton, he mentioned that he will try to bring the K-9 unit for our Winter fun day.

To keep this community informed we have a website at www.GlabarPark.ca where we post all the latest information on upcoming activities, neighbourhood interest, as well as places for your comments and suggestions. If you can, please get involved. It makes this community a better place.

You are invited...

The **Annual General Meeting** is set for Monday October 17th from 7pm to 9:30pm at D. Roy Kennedy Public School

We will update residents with our committee reports, elect another executive board for 2012. Awe will also discuss any concerns and projects you would like us to work on in 2012.

Our councillor, Mark Taylor, has asked all community associations from the different neighbourhoods in his riding to submit to him by the end of October our priorities that we would like him to work on during his term as our representative in council. If there is any issue that you feel is important for us to add as a priority in this report to Councillor Taylor, please come prepared to discuss it.

Support Your GPCA

At our last AGM, fall 2010, we proposed to cancel the membership drive. It was voted on by the members and accepted. We do not have a membership drive anymore but we still need funds to run and organize the events and activities on a yearly basis.

There is a cost of printing and distributing this Gazette 3-4 times yearly, rental of facilities for AGM and parks from the city, summer and winter fun days, etc.

Those that were at Summer Fun Day may have noticed that we had a donation box. This donation box will be at all our events and we ask you to think about it and help us out. Cheques can also be dropped into it. Please make cheques payable to the **Glabar Park Community Alliance**.

You can even drop your Canadian Tire money into the donation box.

We appreciate your support!

Your Story, Our History

Every home has a story and we want to hear yours! We are collecting copies of old photos and stories.

Look what we discovered...
